Dear John,

I am pleased to be able to bring you advanced details of the new BMW 6 Series, an expression of style and individuality which is sure to appeal to your discerning drivers. With the introduction of BMW's EfficientDynamics technology and two new engines, the new BMW 6 Series range is a clear leader in its class.

### Introducing the new BMW 635d Coupé and Convertible

A unique offering, the BMW 635d is incredibly competitive on fuel economy, emissions and power output as a result of the integration of EfficientDynamics. The Coupé delivers an impressive 40.9 combined mpg with CO<sub>2</sub> emissions of just 183 g/km, achieving a BIK rating of just 26%. There is no compromise in dynamic performance with a power output of 286hp reaching 0-62 mph in only 6.3 seconds.

A selection of new engines is shown below. Please [click here](#) for the complete new model list.

Model description	OTR (£)	Power output (hp)	0-62mph (secs)	Fuel Consumption			P11d value (£)	BIK (%)	CO <sub>2</sub> emissions (g/km)
				Urban	Extra urban	Combined			
				(mpg)					
635d Coupé	£53,910	286	6.3	30.7	50.4	40.9	£53,695	26	183
635d Convertible	£59,600	286	6.6	29.4	48.7	39.2	£59,345	28	190

### The new BMW 630i Coupé and Convertible

The new BMW 630i's 6 cylinder High-precision direct injection engine, offers similar output benefits. This also makes it an attractive fleet offering, with VED reduced from £300 to £165 per year. This is achieved by a reduction in CO<sub>2</sub> emissions of 13% compared to the current model to 188g/km.

The new BMW 6 Series includes further safety enhancements too. An innovative Lane Departure Warning system is standard on the 635d and 650i models, and optional Active Cruise Control with Stop & Go ensures the driver remains comfortable and in control in traffic.

Should you wish to find out more about the new BMW 6 Series Coupé or Convertible or any current BMW model, please do not hesitate to contact BMW Corporate Sales on 0870 777 113, email [corporatesales@bmw.co.uk](mailto:corporatesales@bmw.co.uk) or contact your preferred BMW Dealership, who will be more than happy to answer your questions.

Yours sincerely,
