STANDARD EQUIPMENT HIGHLIGHTS.

BMW i8 COUPÉ

The BMW i8 Coupé is available with a range of standard equipment. Below highlights some of the equipment differences, whilst further details can be found in the BMW i8 Coupé and i8 Roadster brochure.

**BMW i Pure Impulse**
- BMW i Pure Impulse Card
  (refer to page 17 for further information)

**Engines and Transmission**
- Automatic transmission, six-speed
- BMW TwinPower Turbo three-cylinder in-line petrol engine, rear
- Drive Performance Control with ECO PRO and Comfort modes
- eDrive mode for pure electric driving
- Electric motor, front, with two-speed transmission
- Larger-capacity fuel tank

**Safety and Technology**
- Adaptive LED headlights
- BMW Display key
- Comfort Access
- Cruise Control with braking function
- Driving Assistant with Surround View, Speed limit display and High-beam Assistant
- Electronic display of drivetrain information, battery range and temperature
- Park Distance Control (PDC), front and rear
- Rain sensor with automatic headlight activation
- Windscreen washer jets, heated

**Exterior Equipment**
- Black High-gloss finisher - door frame and roof fin
- Carbon-fibre reinforced plastic (CFRP) roof
- Coupé designation on B-pillar
- Dihedral doors
- Metallic paint with contrast accent

**Interior Equipment**
- Ambient interior lighting
- Armrest, front
- Automatic air conditioning with auxiliary function and extended features
- Extended storage
- Instrument panel, leather
- Interior and exterior mirrors with automatic anti-dazzle function
- Interior trim, Carbon Fibre
- Interior world, Carpo
- Power sockets, 12V, two
- Sport multi-function leather steering wheel with gearshift paddles, Black with Satin Silver accent
- Tailgate release button
- Velour floor mats
- Welcome lights, LED
- Windows, heat-insulated, green-tinted all round

* = Dependent on the local electricity infrastructure. Charging time corresponds to a change of 80% of maximum capacity and based on a single-phase supply current of max 32A. Figures are for comparison purposes and may not reflect real-life driving results which depend on a number of factors including the starting charge of the battery, accessories fitted (including options), variations in weather, driving style and vehicle load. They were obtained using a combination of battery power and fuel. The BMW i8 Coupé is a plug-in hybrid vehicle using mains electricity for charging. All figures were determined according to a new test (WLTP). The CO2 figures were translated back to the outgoing test (NEDC) and will be used to calculate vehicle tax on first registration. Only compare fuel consumption, CO2, and electric range figures with other cars tested to the same technical procedure.

The BMW i8 Coupé is shown above in BMW Individual Donnington Grey metallic paint with Frozen Grey accent. The models shown on these pages may feature optional equipment. For further details contact your local BMW i Agent.
Seats
- BMW i Spheric Full leather upholstery, perforated
- Child seat ISOFIX attachment, two in rear
- Seat adjustment – front, electric
- Seat heating, front

Audio and Communication
- 20GB Hard Disc Drive (HDD) memory
- Apple CarPlay® preparation
- Auxiliary input for auxiliary playing devices
- BMW ConnectedDrive Services comprising:
  - BMW Apps
  - BMW Emergency Call
  - BMW Online Services
  - BMW TeleServices
  - Concierge Services
  - Connected eDrive Services
  - Real Time Traffic Information (RTTI)
- BMW Professional radio without CD player
- 8.8” Touch Control display
- DAB tuner
- Digital Cockpit
- Enhanced Bluetooth telephone preparation with USB audio interface and Voice Control
- Head-up Display including telephone and entertainment lists

Wheels and Chassis
- 20” light alloy BMW i W-spoke style 470 wheels
- Brake calipers, High-gloss Black with BMW i Blue accent
- Electric Power Steering
- Electro-mechanical parking brake
- Locking wheel bolts
- Mobility tyre sealing system
- Tyre Pressure Monitoring
- Variable Damper Control (VDC)

Pure electric range of up to 34 miles
Charging time 0-80% in <3 hours (based on a current of 16A)*
Low CO₂ emissions from 42g/km
The BMW i8 Roadster is available with a range of standard equipment. Below highlights some of the equipment differences, whilst further details can be found in the BMW i8 Coupé and i8 Roadster brochure.

- Enhanced Bluetooth with wireless charging
- i8 logo projection with open doors
- Retractable soft-top roof
- Roadster designation on B-pillar
- Seat adjustment – front, electric with driver memory
- Travel package
- Two seat configuration
- WiFi hotspot preparation

Key
* = Dependent on the local electricity infrastructure. Charging time corresponds to a charge of 80% of maximum capacity and based on a single-phase supply current of max 32A. Figures are for comparison purposes and may not reflect real life driving results which depend on a number of factors, including the starting charge of the battery, accessories fitted (post registration), variations in weather, driving styles and vehicle load. They were obtained using a combination of battery power and fuel. The BMW i8 Roadster is a plug-in hybrid vehicle requiring mains electricity for charging. All figures were determined according to a new test (WLTP). The CO₂ figures were translated back to the outgoing test (NEDC) and will be used to calculate vehicle tax on first registration. Only compare fuel consumption, CO₂ and electric range figures with other cars tested to the same technical procedure. The BMW i8 Roadster is shown above in E-Copper metallic paint with Frozen Grey accent.
STANDARD EQUIPMENT.

### i8 Coupé

**Petrol Engine**
- BMW TwinPower Turbo three-cylinder in-line petrol engine
- High performance turbocharging system
- High-precision direct injection
- VALVETRONIC
- EU6 emissions management
- Fuel filler flap, rear, right
- Petrol Particulate Filter

**Electric Motor and Battery**
- 2.4kW / 10A AC charging
- Standard charge cable, 5m in length
- Electric motor
  - 360V DC
- Cooling circuit
- Li-Ion Battery, 9.4kWh gross
  - 96 cells: 6 modules with 16 cells, 2 levels
  - Electronic display of drivetrain information and battery range and temperature
  - Fast charging AC capability:
    - AC plug: type 2
    - Charging time: <2 hours, 0-80% SoC
    - Max. power (grid side): 3.7kW (16A)
- Flap in front side panel, left
- Illuminated charging socket with visual display of charge status
  - Amber: Initialisation
  - Blue: Charging
  - Green: Fully charged
  - Red: Error
  - White: illumination of charge socket (vehicle not connected)
- Storage Management Electronics (SME), including insulation monitoring

**Transmission**
- Electric motor, located at the front axle:
  - Electro-mechanical actuator
  - Two-speed transmission
- Hybrid-specific all-wheel drive:
  - Combustion engine driving the rear wheels
  - Electric motor driving the front wheels
- Petrol engine, located at the rear axle:
  - Electric gear change actuator
  - Electric transmission oil pump
  - Six-speed automatic transmission

**Wheels and chassis**
- 20” light alloy BMW i W-spoke style 470 wheels with mixed tyres
- Brake calipers, High-gloss Black with BMW i Blue accent and designation
- Brake-pad wear indicator
- Disc brakes – front and rear, lightweight, ventilated
- Double-wishbone suspension, front
- Drive Performance Control with ECO PRO and Comfort modes
- eDrive mode for pure electric driving
- Electric Power Steering (EPS)
- Electro-mechanical parking brake
- Mobility tyre sealing system
- Multi-link suspension, rear
- Sport mode
- Tyre Pressure Monitoring
- Variable Damper Control (VDC)

**Safety and technology**
- Adaptive LED headlights
- Alarm system (Thatcham 1) with remote control and engine immobiliser
- Airbags, comprising:
  - Crash sensor activating central locking release, hazard warning lights, 12V and HV battery
  - Driver, front passenger, front and side
  - Head airbags, all four seats
  - Impact-dependent airbag system (ID airbags), driver and front passenger
  - Passenger seat airbag deactivation, front
  - Passenger seat occupancy sensor, front
  - Safety cut-off, and interior lighting
  - BMW Display key – one of each: Display key, Remote key, Mechanical key
- Check control warning system
- Comfort Access
- Condition Based Servicing (CBS)
- Cruise control with brake function
- Deformation zones – front and rear, that can absorb impacts of up to 9.5mph. Bumpers absorb impacts up to 2.5mph without damage
- Driving Assistant, comprising:
  - City Collision Mitigation
  - Forward Collision Warning
  - High Beam Assistant
  - Pedestrian Protection
  - Rear view camera
  - Speed Limit information
- Surround-view incl. Top view / Side view
- Dynamic Brake Lights with LED technology
Dynamic Stability Control, comprising:
- Anti-lock Braking System (ABS)
- Brake drying
- Brake fade compensation
- Brake pre-tensioning
- Cornering Brake Control (CBC)
- Dynamic Brake Control (DBC)
- Dynamic Traction Control (DTC)
- Electronic Brake-force Distribution (EBD)
- Hill-start Assist
- First Aid kit and Warning Triangle
- Head restraints – front, integrated in the seat backrest, fixed
- Keyless starting of engine ignition
- Locking wheel bolts
- On-Board Diagnosis (OBD)
- Park Distance Control (PDC), front and rear
- Rain sensor with automatic headlight activation
- Seat belts – front, with automatic tensioner, linear belt force limiter and belt restrainer, Black
- Seat belts – rear, two with automatic tensioner and belt force limiter, Black
- Twin horns
- Windscreen washer jets, heated

Seats
- BMW i Spheric leather upholstery, Carum Grey with Sitka cloth accent
- Child seat ISOFIX attachment, two in rear
- Four seat configuration (i8 Coupé only)
- Seat heating, front
- Seats – front, electric adjustment

Exterior equipment
- BMW roundel with BMW i Blue surround, front and rear
- Bonnet, Aluminium with V-belt styling in two-tone High-gloss Black and body colour
- Carbon-fibre reinforced plastic (CFRP) roof (i8 Coupé only)
- Coupé designation to B-pillar
- Dihedral doors, Aluminium exterior with Carbon-fibre composite interior construction
- Direction indicator, side repeaters, integrated in exterior mirrors
- Door frame finisher, High-gloss Black (i8 Coupé only)
- Exhaust tailpipes – two, 75mm
- Exterior mirror housing in body colour, mirror surround and top part of mirror housing in High-gloss Black
- Exterior mirrors – aspheric, heated, with electric adjustment
- Exterior mirrors – folding, automatically dimming
- Kidney grilles, partially closed with contrast surround and High-gloss Black centre
- Metallic paintwork with contrast accent

Model designation, i8, rear right
- Roof fin, High-gloss Black (i8 Coupé only)

BMW i Pure Impulse Card
- A personal passport to a world of inspiration and privilege: the BMW i Pure Impulse Experience Programme

Interior equipment
- Air conditioning, automatic with two-zone control with extended features
- Ambient interior lighting
- Armrest – front, centre with storage compartment
- Auxiliary air conditioning
- Ceramic surround for controls
- Coat hooks, rear, left and right
- Compartment with electric unlocking via the key’s remote control
- Cup holder – one, centre console in front of storage compartment
- Cup holders - two centre console behind storage compartment (i8 Coupé only)
- Electric windows – front with open/close fingertip control, anti-trap facility and comfort closing
- Floor mats, velour
- Fogging sensor, front windscrenn
- Footwell lights, front
- Glove box
- Interior trim, Carbon Fibre
- Interior world, Carpo
- Instrument panel, leather
- Luggage compartment, comprising:
  - Luggage compartment release button in driver’s door switch cluster
  - Removable luggage compartment cover
- Power socket, one 12V in small folding compartment in centre console
- Power socket, one 12V under instrument panel on passenger’s side
- Reading lights, front, LED
- Rear-view mirror, automatically dimming
  - Removable luggage compartment cover
- Sport multi-function leather steering wheel with gearshift paddles, Black with Satin Silver accent
- Start-Stop button
- Steering column, adjustable
- Storage net in passenger footwell, front
- Storage pockets on seat backrests
- Sun visors with integrated vanity mirrors
- Tailgate, release button in driver’s door switch cluster
- Welcome lights, LED
- Windows – heat-insulated, green-tinted all round
### Audio & communication

- 20GB Hard Disc Drive (HDD) memory
- Access to BMW Connected+ for 12 months from vehicle production (subscription required)
- Apple CarPlay<sup>®</sup> preparation
- Auxiliary input for auxiliary playing devices
- BMW ConnectedDrive Services, comprising:
  - BMW Apps
  - BMW Emergency Call
  - BMW Online Services
  - BMW TeleServices
  - Concierge Services
  - Connected eDrive Services
  - Real Time Traffic Information
  - Remote Services
- BMW Professional radio without CD player
- Control Display – 8.8” high-resolution flat screen colour display
- DAB digital radio
- Enhanced Bluetooth telephone preparation with USB audio interface and Voice Control
- Favourite buttons
- Head-up Display
- iDrive Touch Controller with shortcut buttons
- Loudspeaker system – harman/kardon
  - Digital Sound Processing
- Multi-functional Instrument panel
- Navigation system – BMW Professional Multimedia
- On-Board Computer (OBC), comprising:
  - Average speed
  - Clock
  - Fuel consumption and range
  - Journey computer
  - Outside temperature display
- Online Entertainment
- Personal Profile

### i8 Roadster

Equipment in addition / replacement to the i8 Coupé

- Enhanced Bluetooth with wireless charging
- i8 logo projection with open doors
- Retractable soft-top roof
- Roadster designation to B-pillar
- Seats – front, electric adjustment including driver memory
- Travel package
- Two seat configuration
- WiFi hotspot preparation
