## BMW Insured Warranty

### Applicable to all levels of component cover

#### Our policy on wear and tear

During the service life of **your insured vehicle**, normal degradation will naturally occur to some components, **we** term this 'wear and tear'. For instance, components which are subjected to constant or sustained periods of movement, such as suspension bushes/ball joints and steering joints, would be subject to wear and tear. Dependant on the age and mileage of **your insured vehicle**, **we** may not be able to cover this type of failure and the cost of replacement will be **your** responsibility.

If **you** have the comprehensive level of cover however, **we** have included all insured components even if the failure is due to normal degradation (wear and tear) up to 100,000 miles from the date of registration. In addition, if a component has previously been replaced with a BMW genuine part, the same rule will apply, in this case evidence of mileage at fitment will be required.

#### Repairs exceeding the maximum claims liability

If the cost of repair is more than the maximum total claims liability for the **insured vehicle**, **you** will agree to meet the rest of the cost for the repair at a BMW Authorised Retailer or BMW Service Authorised Workshop.

In the event that **you** decide not to proceed with the repair at a BMW Authorised Retailer or BMW Service Authorised Workshop **we** will not be responsible for any costs of repair.

### BMW Insured Emergency Service

Unless **you** have purchased the BMW Insured Emergency Service option, under the terms of **your BMW Insured Warranty** **you** will only be covered in the **United Kingdom** and **Republic of Ireland** for the following BMW Insured Emergency Service benefits:

#### Roadside Assistance

In the event of the **immobilisation** of **your vehicle**, where it is more than half a mile from **your** home address, **we** will arrange assistance for **you**. Whenever practical, **we** will endeavour to arrange assistance by a BMW Customer Service Vehicle, but if the problem cannot be resolved at the roadside, **we** will pay the costs of taking **your vehicle** to the nearest BMW Authorised Retailer or BMW Service Authorised Workshop. To receive full BMW Insured Emergency Service cover **you** must have chosen this when **you** purchased **your** policy and paid the premium when due. If this is applicable to **your** policy it will be shown on **your confirmation letter**.

## BMW Insured Warranty Terms And Conditions

  - **We** will not pay for damage to a covered part if caused by a part which is not covered.

## BMW Insured Warranty Terms And Conditions

- We will not pay for damage to parts not covered by this warranty even if the damage is caused by a covered part.
- As **your** policy is intended to cover the repair and/or replacement of defective or damaged parts it does not additionally cover losses that may be caused by that defective or damaged part, unless otherwise stated in the policy terms and conditions. For example, **your** policy may cover repairs to or replacement of a wheel bearing but would not cover any loss of earnings that **you** may suffer while **your car** is being repaired.

If **your vehicle** has to be stored following recovery by BMW Insured Emergency Services, **we** will pay for the cost of storage up to a maximum of £50.

### Onward travel/hotel accommodation

Alternatively, if breakdown occurs more than 50 miles from **your** home address and overnight accommodation is a more practical option, **we** will pay for the cost of bed and breakfast for **you** and **your passengers** up to £100 per person (£150 in Greater London). The maximum allowance under this benefit is £500 including VAT.

### Adverse weather conditions

On those occasions when **we** experience adverse weather conditions, such as high winds, snow, floods, etc., external resources may be stretched and some operations become physically impossible until the weather improves. If a forced entry is required, **you** will be asked to sign a declaration stating that **you** have given permission for this to take place and that any costs for resultant damage will be **your** sole responsibility.

### Punctures – Mobility System

Should **you** experience a puncture and **your vehicle** is equipped with a Mobility System, details regarding its operation can be found in **your** owner's handbook or on the device itself. Alternatively, **we** will be happy to explain how the system works to help **you** carry out a temporary repair and resume **your** journey.

### Release fees

Should **your vehicle** be stolen and subsequently recovered by the police, **you** may be asked to pay a release fee before **we** can remove **your vehicle** to a BMW Authorised Retailer or BMW Service Authorised Workshop or to **your** home address. Although **we** can arrange to guarantee these costs on **your** behalf, the payment of such fees is **your** responsibility.

### Specialist charges

In the event that the use of specialist equipment is required to provide assistance when **your vehicle** has, for example, left the highway, is in a ditch, is standing on soft ground, sand, shingle, stuck in water or snow or has been immobilised by the removal of its wheels, **we** will arrange recovery but **you** will be responsible for the costs.
