

STANDARD EQUIPMENT HIGHLIGHTS.

The BMW i3

- 19" BMW i light alloy Streamline Star-spoke style 427 wheels
- 2.4kW AC charging
- A-pillar and roof moulding in High-gloss Black and Chrome optic highlight
- Aragats Grey / Black Neutronic cloth upholstery
- Bluetooth hands-free facility with USB audio interface
- BMW ConnectedDrive Services Comprising:
 - BMW Apps interface
 - BMW Emergency Call
 - BMW Online Services
 - BMW TeleServices
 - Connected eDrive Services
 - Remote Services
 - Real Time Traffic Information (RTTI)
- BMW eDrive motor
- BMW Professional radio without CD player
- Carbon-fibre reinforced plastic (CFRP) body structure
- Conditioned Based Servicing
- DAB digital radio
- Dynamic brake lights
- DC Rapid Charge preparation
- Extended storage
- Exterior mirror caps in High-gloss Black
- Exterior mirrors, electrically folding with anti-dazzle
- Fast charging AC multi-phase capability
- Heat protection glazing with green-tint
- High-level third brake light integrated into rear spoiler
- Illuminated charging socket with visual display of charge status
- Interior trim, Andesit silver metallic effect
- Interior world, Atelier
- Kidney grille, High-gloss Black with Chrome contrast edging
- LED headlights
- Li-Ion Battery with active cooling with 28kWh usable energy content
- Multi-function leather steering wheel, two-spoke – Black with unique BMW i Blue accent
- Navigation system – BMW Professional Multimedia
- Park distance control, rear
- Rain sensor with automatic wiper and headlight activation
- Rear spoiler, Black with integrated LED brake light
- Remote control, including integrated key
- Seat heating, front
- Slide through light weight front seats, with contrast highlighting in BMW i Blue

STANDARD EQUIPMENT HIGHLIGHTS.

The BMW i3 with Range Extender

The Range Extender model is designed to be able to increase the range, therefore making it efficient to run while maintaining the state of charge at a consistent level under normal conditions.

- Manually activated when the vehicle is approximately 75% state of charge
- Maintains charge status under normal driving and load conditions
- Maintains charge to extend range by approximately a further 81 to 93 miles*
- Automatically starts operating when the vehicle state of charge is deemed critical by the vehicle

* Based on BMW testing and evaluation, this range will vary based on road, traffic and weather conditions in addition to, but not limited to, driving style and power consumption within the vehicle.

STANDARD EQUIPMENT HIGHLIGHTS.

The BMW i3s (in replacement / addition to i3)

- 20" BMW i light alloy Double-spoke style 431 wheels, Bicolour with mixed tyres
- Additional 13hp of engine power, additional 20Nm of torque and 0.4 seconds reduction in 0-62mph time
- A-pillar and roof moulding in High-gloss Black
- Additional SPORT driving mode with adapted sport driving pedal behaviour
- Front bumper with i3s specific High-gloss Black inlay and highlights (finished in BMW i Blue or Frozen Grey)
- Front floor mat with i3s model designation in the centre
- High-gloss Black wheel arch extensions and wider track (+40mm)
- i3s badge on rear tailgate
- i3s-specific steering characteristics
- Kidney grille, High-gloss Black with Chrome contrast edging
- Sport suspension (10mm lower)

The BMW i3s with Range Extender

The Range Extender model is designed to be able to increase the range, therefore making it efficient to run while maintaining the state of charge at a consistent level under normal conditions.

- Manually activated when the vehicle is approximately 75% state of charge
- Maintains charge status under normal driving and load conditions
- Maintains charge to extend range by approximately a further 81 to 93 miles*
- Automatically starts operating when the vehicle state of charge is deemed critical by the vehicle

* Based on BMW testing and evaluation, this range will vary based on road, traffic and weather conditions in addition to, but not limited to, driving style and power consumption within the vehicle.

STANDARD EQUIPMENT.

i3 and i3 with Range Extender

BMW EfficientDynamics

Brake Energy Regeneration

ECO PRO mode to provide improved range

ECO PRO+ mode to maximise the potential range (limits top speed for 56mph)

Significant gains in range through a series of onboard electronic measures.

Electric Power Steering (EPS)

Lightweight engineering featuring Carbon-fibre reinforced plastic (CFRP) body structure

Lightweight alloy wheels with unique streamline design

Reduced rolling resistance tyres

Motor and battery

2.4kW AC charging

Standard charge cable, 5m in length

Storage for cable available under bonnet

BMW eDrive motor

DC Rapid Charge preparation:

– Charging time: 45 min (charge-level rise from 11.5% to 97%), 0-80% in < 30 minutes.

– DC plugs: combo 2. Combined Charging System (CCS).

– Max. power (grid side): 50kW (3-phase 230V, 125A)

Fast charging AC multi-phase capability:

AC plug: type 2

Charging time: 3 hours (charge-level rise from 0% to 80%)

Max. power (grid side): 11kW / 3 x 16A (2.4 and 7.4kW also available)

Flap in rear side panel, right with push function to open

C shaped indication band for battery condition

integrated into central locking system

Illuminated charging socket with visual display of charge status

Red: Error

Amber: Initialisation

Green: Fully charged

Blue: Charging

White: Illumination of charge socket (vehicle not connected)

Li-Ion Battery with active cooling and 28kWh usable energy content

94Ah capacity

Aluminium radiator and mountings for heating elements

Consisting of 8 modules each with 12 cells

Integrated battery storage management electronics (SME)

Nominal voltage: 350.4V

Electronic display of drivetrain information and battery range and temperature

Transmission

BMW integrated differential transmission

Electronic parking lock

Single forward and reverse gears

Gear selector switch located on steering column

Control lever in Chrome Pearl Grey with leather inserts, Black

Visual indication of selected gear

Wheels and chassis

19" BMW i light alloy Streamline Star-spoke style 427 wheels

Active Differential Brake (ADB-Sport) electronic differential lock in DSC-OFF mode

BMW Mobility kit with tyre sealing system

12V compressor with integrated sealant injection bottle and hose

Wheel bolts, locking

Seats

50:50 split-folding rear seats

Aragats Grey / Black Neutronic cloth upholstery

Child seat ISOFIX attachment for the two rear seats

Four seats with individual seat designs in the front and rear

Rear seat headrests, folding – two

Seat heating for driver and front passenger

Slide through light-weight front seats

Allowing easy access to driver or passenger seat when entering from either side of the vehicle

Contrast highlighting in BMW i Blue

Use of 100% recycled materials in seat cushion

Exterior equipment

BMW i3 designation, rear

Capparis White with highlight BMW i Blue non-Metallic Paintwork

eDrive designation, rear

Exterior mirrors, finished in High-gloss Black, electrically adjustable and folding

Mirror glass aspheric on driver's side, convex on passenger side

Exterior parts in body colour

Bumpers, front and rear (bumper inlay)

Door handles

Doors

Exterior parts in contrast High-gloss Black (BMW i Black Belt)

Bonnet

Door mirrors

Roof

Roof mouldings with matt Chrome optic highlight

Tailgate with Chrome optic trim

Contrast highlights in BMW i Blue – Kidney grille surrounds and highlighting below doors

Kidney grille Chrome High-gloss with contrast frame in BMW i Blue

LED daytime running lights in U-shaped BMW i design

Luggage compartment access via recessed handle below tailgate

Model designation

Rear lights – LED integrated into tailgate

Rear spoiler, Black with integrated LED brake light

Rear window, integrated into tailgate

- Rear-window heating
- Tempered safety glass

Side windows

- Power windows, front
- Static fixed windows, rear
- Tempered safety glass

Shark fin aerial

- Including rod aerial for FM with electronic system and aerial amplifier inside antenna base

Window surrounds, Black

Interior Equipment

12V power socket in centre console

Additional 12V power socket in right-hand side of boot

Armrest, front centre, foldable with integrated storage compartment

Automatic air conditioning, single-zone. Includes:

- Adjustment temperature: rotary control
- Adjustment air distribution, amount of air: manually by keystroke, LED display
- Adjustment by keystroke: air conditioning, defrost, air recirculation / fresh air, heated rear window
- Air conditioning compressor (4.5kW)
- Electric heating (6kW), flow-type heater

Cabin pre-conditioning via iDrive or BMW i Remote App

- Cold or warm air can be blown through the cabin to bring the cabin to the desired temperature before departure.
- To maximise the range this can be activated while the vehicle is on charge.

Cupholder, central. Includes additional cupholder with clip-on function for centre console

Door sill finished in Black

Electronic drive selector located on steering column to select: Drive, Reverse, Neutral or Park

Electric handbrake located on centre console between driver and passenger seats

Electric windows – front, with open/close fingertip control, anti-trap facility and comfort closing

Extended storage

- Luggage compartment retaining straps on left and right side
- Portable cupholder for two cups, clips into storage compartment of rear seat bench

- Retaining strap in front centre stack
- Floor mats in velour, Anthracite
- Glove box with partitioned sections
- Grab handles, integrated in roof linings – front and rear
- Heat protection glazing with green-tint
- Instrument cluster – free standing 5.7" colour TFT-display (no analogue instruments)
 - Drive mode specific information such as ECO PRO display
 - Power and battery regeneration display
 - Range information
 - Speedometer with mph and km/h readout
- Interior lighting, front centre over interior mirror and rear centre
 - Automatic interior light activation when door is opened, when ignition switched off, or via remote key
- Interior trim, Andesit Silver metallic effect
- Leather multi-function steering wheel, two-spoke – Black with unique BMW i Blue accent
- Luggage compartment light
- Rear shelf cover
- Side armrests – front and rear, integrated into door trim
- Steering wheel column adjustment, manual
- Storage compartment in driver and passenger doors
- Sun visors with vanity mirrors and ticket pocket.
- Plastic surface uses 80% recycled material.

Safety and technology

Airbags

- Front, driver and passenger¹
- Head, front and rear – curtain head protection system
- Side, front (seat-integrated)

Alarm system (Thatcham Category 1) with remote control and engine immobiliser (EWS IV)

Battery safety cut-off – for drivetrain battery and 12V battery

BMW Emergency Call

- Manual and automatic emergency calling to emergency services through a BMW Call Centre
- Current vehicle location is transmitted along with additional data on the severity of the accident

Brake discs, front – ventilated

- Cast iron, 280mm x 20mm, alloy floating caliper

Brake discs, rear

- Solid disc, 280mm x 8.6mm

Brake pad wear indicator, front and rear

Bumper system – front and rear, multi-level with replaceable deformation elements

Central locking switches for:

- All doors (located on front doors)
- Bonnet
- Charging flap (located in footwell)

¹ = manual deactivation of front passenger airbag possible

Fuel filler flap (located in footwell for models with range extender only)

Tailgate

Check Control system for monitoring of lights and door/luggage compartment open warning

Conditioned Based Servicing

Crash sensor

- Activating central locking release, hazard warning lights, 12V and HV battery safety cut-off, and interior lighting

Direction indicator lights using LED technology located on front bumper

Direction indicator side lights, integrated in exterior mirrors

Drive Performance Control with ECO PRO+, ECO PRO and Comfort modes

Dynamic brake lights

Dynamic Stability Control+ (DSC+)

- Anti-lock Braking System (ABS) including Brake Assist
- Automatic Stability Control (ASC)
- Brake drying
- Braking readiness
- Cornering Brake Control (CBC)
- Dynamic Brake Control (DBC)
- Dynamic Traction Control (DTC)
- Hill-start Assist
- Including traction detection

First Aid Kit and Warning Triangle

Headrests for all seats

- Front: integrated into seat's backrest
- Rear: foldable and with height adjustment

High-level third brake light integrated into rear spoiler

Indicators

- Front: horizontal LED unit located in bumper
- Side: integrated into mirror caps (LED)
- Rear: integrated into rear light cluster behind tailgate (LED)

LED headlights

- Headlight beam-throw control
- LED daytime running lights and sidelights featuring unique BMW i design – front
- LED low-beam and high-beam headlights

Lights-on warning, by audio warning signal when ignition is switched off

Personal Profile

- Automatic lock when driving away selectable
- Store settings, preferences and favourites to a personal profile within the vehicle

Park Distance Control, rear

Rain sensor with automatic wiper and headlight activation

Rear foglight located in bumper

Rear view mirror with automatic anti-dazzle function

Automatic dipping of passenger mirror when reverse gear is selected to aid parking manoeuvres

Remote control, including integrated key – two

- One button for opening and one for closing all lockable contents, for opening and closing electric windows
- Separate buttons for opening of the bonnet and tailgate luggage compartment

Reversing lights located in bumper

Seat belt security check for driver and front passenger

Servotronic variable Electric Power Steering (EPS)

Side impact protection

Start-Stop button with Comfort Go keyless engine start

Three-point seat belts, at all seats

- Belt force limiters – front
- Coded belt buckles – rear
- Pyrotechnic belt tensioners – front

Twin horns

Tyre Puncture Monitor

Visible VIN

Audio and communication

Bluetooth hands-free facility with USB audio interface includes Bluetooth audio streaming

BMW ConnectedDrive services including:

- BMW Emergency Call
- BMW Online Services
- BMW TeleServices
- Connected eDrive Services
- Real Time Traffic Information (RTTI)
- Remote Services

BMW Professional radio without CD player

- Media input via USB connection or Bluetooth audio streaming
- Received frequency: FM / DAB
- Stereo system with 4 x 25W speakers
- Two mid-range speakers with aluminium membrane, doors
- Two bass speakers (150mm), A-pillar trim panel, low

DAB digital radio

- Aerial located in base of roof aerial

BMW Professional Navigation comprising;

- Eight programmable favourite buttons – can be used for menu pages, radio stations, or favourite destinations
- BMW Live Tiles
- Charging Station Search
- Dynamic Range Map
- Including free-standing 10.25" LCD screen with latest generation ID6 software with BMW i design
- Integrated Owner's Handbook
- Navigation system with route planning by individually defined criteria and dynamic route planning

Operation by iDrive Touch Controller with direct selection buttons

RTTI and TMC traffic information used to feed dynamic route plans

Multi-function steering wheel

On-Board Computer (OBC) comprising:

Average speed

Clock and date

Current range

Navigation information including: distance from destination and estimated time of arrival etc.

Odometer and trip meter

Outside temperature display with acoustic ice warning (at +3°C)

Service interval messages

i3 with Range Extender

In replacement / addition to i3

BMW range extender 647cc two-cylinder engine

Maintains charge to extend range by approximately a further 81 to 93 miles*

19" BMW i light alloy Streamline Star-spoke style 427 wheels with mixed tyres

Exhaust tailpipe, hidden

Fuel filler point, front with push to open function integrated into central locking system

Fuel tank, metal

Capacity: 9 litres

Fuel level sensor

Integrated fuel pump

Lifetime fuel filter unit

Oil sensor for level and grade, warning by Check Control system

i3s

In replacement / addition to i3

20" light alloy Double-spoke style 431 wheels Bicolour with mixed tyres

A-pillar and roof moulding in High-gloss Black (no matt Chrome optic highlight)

Additional SPORT driving mode with sporty throttle response

Front bumper with i3s-specific Black inlay and accent highlights (finished in BMW i Blue or Frozen Grey)

Front floor mat with i3s model designation in the centre

High-gloss Black wheel arch extensions and wider track (+40mm)

i3s badge on rear tailgate

i3s-specific steering characteristics

Kidney grille High-gloss Black with contrast Chrome edging

Rear bumper design with i3s – specific design (+40mm wider body colour inlay)

Sport suspension (10mm lower)

* = Based on BMW testing and evaluation, this range will vary based on road, traffic and weather conditions in addition to, but not limited to, driving style and power consumption within the vehicle.
